From: The "Yahweh's Warriors"

To Whom it may concern:

Please accept this humble gift of music/scriptural education/and the enemy's own voice exposing themselves, with our hope of your sharing it with as many two seed pastors and believers as possible. Our hope is to help our white brothers and sisters understand the need for them to try to begin to open their eyes and ears and seek the real truth Yahweh has provided for all His adamite people; so they can once again begin to come back to the real truth and freedom Yahweh created for them with His Law's.

We ask for nothing in return but to allow Yahweh to use us, if it be His will, as vehicles to reach out to the remnants of the white race; using the gifts of music and voice, which He blessed us with.

Use this music/scriptural education/and the enemy's own voice exposing themselves, in whatever manner you wish, to help the two seed cause. This music/scriptural education/and the enemy's own voice exposing themselves, is copy protected both in Heaven and Earth by Yahweh and His Warriors.

We The "Yahweh's Warriors" choose to remain anonymous by choice, so that all glory and honor be our King's, (Yahweh) and His will be done in this and all matters concerning the two seed cause.

Yahweh Bless all your efforts and work.

P.S. We would be honored if you would find it appropriate to play our song on your show with our hope of helping others join the two seed cause and also pass it on to other shows who may find a like interest in doing so as well. You also have our permission to make copies and pass them out to interested members of your two seed groups.

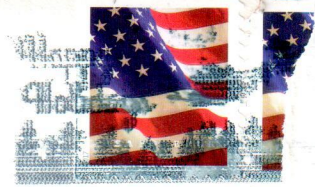

Sincerely,

The "Yahweh Warriors"
